Example: I can naturally use use reusable products when talking about environment & recycling.

10. make a difference — tạo khác biệt

Example: I can naturally use make a difference when talking about environment & recycling.

Bạn cần bao nhiêu chunks?

Không cần 1.000 chunks để nói tốt. Với IELTS Speaking Band 7, một mục tiêu thực tế là khoảng 250–400 active chunks có thể bật ra tự nhiên. Nếu chỉ tính những chunks bạn nhận biết (passive), con số có thể lớn hơn nhiều.

Với bạn: 240 chunks hiện tại đã là một kho đủ lớn để chuyển trọng tâm sang luyện retrieval. Học thêm mãi sẽ có diminishing returns nếu bạn chưa dùng được các cụm đã biết.
